The Purchaser must contact ST via the Customer Concern form on the website and fill in all requested information in detail. If a warranty claim is approved, the Purchaser must follow the instructions on the warranty approval. If the ST product is to be returned, whether from the Purchaser or Distributor, the Purchaser must package the ST Product safely for transportation, include a copy of the receipt as the proof of purchase, adhere the RGA number legibly and visibly to the packaging in two locations and return the product to either the ST Distributor or ST direct at their own expense, including, but limited to, shipping costs as well as costs incurred for removing and installing the ST Product on the vehicle. The cost of shipping/freight back to ST is the Purchaser's responsibility. ST does not warranty labor costs. ST will not accept any ST Product returns without the RGA number and receipt as described above.

Payment by ST or the ST distributor of customs, government fees, handling fees, tariffs or other import costs is excluded and is the sole responsibility of the purchaser.

ST or the ST Distributor, under any circumstances, shall not be liable for loss of time or revenues, inconvenience, loss of use of the vehicle, damage to the vehicle or components of the vehicle, any other type of consequential damages, or other incidental or indirect damages resulting from the use, misuse or inability to use the ST Products or from defects of the ST Products. The limitation of liability does not apply to any injuries to persons, in the event of gross or willful negligence or if a material contractual obligation was violated by ST. In the event of improper use of ST Products, including installation on vehicles not recommended by ST, off-road use or any racing, all warranty claims are null and void.
